

Livermore Youth Soccer League High Comp Tryout Schedule 2010

Hello LYSL Players!

The competitive team placement selections are around the corner. These times seem to always add a little bit of anxiety to the players and parents. The most important thing to remember is to show up prepared and do your best. Coaches will look for different things during the exercises. There isn't just one specific area that will catch the attention of a coach. Certainly technical ability is important to showcase, but also how a player moves without the ball, speed, work rate, etc. Be on time, follow coaching staff directions, work hard, have fun and let things happen naturally.

We ask that all players that plan to join us at the team placement selection days to please pre-register in order to expedite your registration. This is Free. Use the form below and please reference the age matrix to select the appropriate age group trying out for. Registrations will also be accepted in person at the team placement selection locations.

Players must:

- Attend at least one of two team placement selection dates to be considered for a LYSL team. Players are highly encouraged to attend all tryout sessions for best placement.
- Wear a white shirt, any color shorts, shin guards and soccer cleats
- Bring a soccer ball and water
- Please arrive 15 minutes before the official start time

The LYSL coaching staff is looking forward to see you all. In the meantime, practice 20-30 minutes everyday, even if it's juggling. You will be amazed how much more comfortable with the ball you become!
